Ref: Hants. RO 1641A/010

In the name of God Amen. The sixteenth day of April in the year of our Lord God 1641, I John Cannar of Mapledurwell in the county of Southampton, yeoman, being sick in body but of weak mind and in good and perfect remembrance, thanks be to God, do make and ordain this my present testament concerning herein my last will in manner and form following. **First** I commend my soul unto Almighty God my Creator and redeemer and my body to be buried in the churchyard of Mapledurwell. **And** I give to the reparation of the church there six shillings 8 pence. **Item** I give to the mother church of Winton six pence. **Item** I will that all such debts and duties as I own of right or of conscience to any person or persons be well and truly satisfied and paid by my executor hereafter named. **And** after debts paid and my funeral expenses performed, I will that all my goods and chattels and credits be honestly valued and appraised, and thereof I dispose them. **Imprimis** whereas my brother Richard Cannar stands sundry ways engaged unto me and more especially in the sum of twenty pounds current money of England, the which he is to pay unto me in twenty years by twenty shillings yearly, I do for myself, my executors and administrators remit the same wholly and release and acquit him of the same debt of twenty pounds and of all other debts and bargains as if he had wholly discharged the same. **Item** I give unto the poor of Mapledurwell the sum of ten shillings to be bestowed in such manner as my executor shall think fitting. **Item** I bequeath to my sister Agnes Brother the sum of twenty shillings. **Item** I give to my daughter Margaret ten shillings. **Item** I give to my daughter Elizabeth Milton ten shillings. **Item** I give to my daughter Anne Moulde the sum of four score pounds. **Item** I give to my godson John Milton five shillings. **Item** I give to my grandchild Barbara Mould the sum of five shillings. **Item** all the rest of my goods and chattels movable and unmovable, my debts, funeral and legacies discharged I bequeath and give wholly to my beloved wife Anne Cannar whom I make the full and sole executrix of this my said last will and testament. **And** I desire my well beloved sons in law Nicholas Milton and Edward Searle to be the overseers of this my present will and to assist my executor in the performance thereof with their good advice and counsel. **And** to either of them I give for their pains to be taken therein the sum of ten shillings. **In witness** whereof I have unto my said present will and testament put my hand and seal and seal the day and year first above written
