Transcriber: Janet Mann - April 2014

Checker: Sally Self – April 2014

Note1: line 22, 'strickless' – the writing is clear so probably 'strickles', a straight piece of wood with which grain was struck off level with the rim of the measure, sometimes applied to the amount so measured. OED accessed 7 April 2014

Note 2: line 24 'stopless' – the writing is clear so possibly 'stoples', a stopper, cork or bung. OED accessed 7 April 2014
