

Cheltenham Manor Court Records, 1515-16

TNA SC2 175 27 is a roll of Cheltenham Manor Court material from several different reigns.

Membrane 3 is a run of estreats (a note of monies due) for courts spanning about one year, to September 1516. Notches on the left-hand edge of the membrane align with many of the sums due, probably indicating where payment has been received.

Heading of 2 lines, very dark, but by comparison with what follows, inferred as:
