Checker: Sally Self - 14 February 2013

Note 1: GA ref 1741/52 consists of two documents; a working copy and a fair copy (paper stamped 8d). The layout and order of items differs. It is an interesting example of how spellings and terminology differed.

Note 2: The working copy has the Roman numeral date of 'iith of pber'; in the fair copy the date is clearly 11th September.
