Note 1: This consists of two documents, a working copy (the deceased is named **Reade**) and a fair copy (the deceased is named **Reed**). They are similar except for minor differences of some spellings and layout.

Note 2: Paper stamped 7 pence quire with 'Diocese of Gloucester' added.

Note 3: The appraiser's name is difficult to read, and could be Jareons, which doesn't seem any more likely than Javeons. There are no references to either name in the Manor Court Rolls or in the St Mary's parish records.
