

George Warner, Bosbury, 1681

George Warner, Bosbury, 1681

Ref: Herefordshire RO: 70/2/30

Memorandum that upon or about the second day of July in the year of our Lord God 1681 George Warner late whilst he lived of the parish of Bosbury in the county and diocese of Hereford deceased whilst he was of perfect mind and memory lying there sick at his own dwelling house of the sickness whereof he shortly after died having a serious intent and resolution to make and declare his last will and testament did utter and declare the words following or the like in effect **viz He said** I do give and bequeath all my goods cattles and chattles etc unto my wife Joan Warner during her life, And my desire is that what remains at my wife's decease be given to my daughter Catharine, I do make my said wife Joan my sole and whole executrix. All which words or words to the like effect the said deceased did repeat several times before the persons whose names are subscribed and desired them to take notice or bear witness that such was his will, whilst he was of perfect mind and memory with an intent that the same should stand and be as and for his last will and testament nuncupative in person of divers and sundry credible witnesses and more particularly of James Sheapherd. Joan Joanes

Proved on the oath of Joan Warner, widow of the deceased, 21st July Ann. Dom. 1681
