**Transcriber's Note** – Transcribed by Sara-Jayne Boughton. Original spelling preserved. No overleaf present. Preamble moved to reflect position on page in relation to the rest of the text. Square brackets denote abbreviations. Line 16 – 'r' could very well be 'c' for 'cuff' instead of 'ruff'. The 'r' was an educated guess as there are no other words beginning with a 'c' to refer to.
